YSGOL GYNRADD SANT MIHANGEL

Headteacher: Mr. M. Phillips

Friday February 22nd 2019

Dear Parents,

Perimeter fencing

We are delighted to inform you that the school will be having new perimeter fencing next half term. This will greatly enhance our safety in school and should hopefully avoid any intrusion onto the site during holidays and after school.

We have not been informed of the exact dates yet, but will let you know as soon as we know as it may impact on access to certain areas of the school site.

Tesco tokens

Our application for Tesco tokens has been successful and will 'go live' at the beginning of March. Please encourage all of your friends and family to vote for us so we can obtain as much funding for our project as possible.

We have requested money for a 'Clevertouch board' which will complete our current spending on ICT.

Open the doors!

As you may be aware, Class 2 have been 'opening the doors' for a short time after school on Friday afternoons to give parents the opportunity to come and see the work that the children have done during the week. After much positive feedback from parents, we have decided to do the same in all classes from Friday 8th March 2019.

We hope that many of you are able to take up this offer and that your children will be proud to share their work with you each week.

Many thanks for your continued support,

Mr. Phillips
