YSGOL GYNRADD
SANT MIHANGEL

Headteacher: Mr. M. Phillips

Monday March 25th 2019

Dear Parents,

Perimeter fencing

Work on our new perimeter fencing has started today and it is anticipated that it will take around two weeks to complete. Access to school will vary during this time, depending on where the work is taking place and there may be some areas that are not accessible at different times. We appreciate your patience and understanding while the work is carried out.

Tesco 'Bags of Help'

Many thanks to those of you who have already put tokens in the boxes at Tesco to support our application for ICT equipment. I have not been to the store recently, but I understand that we are currently in the lead! Please encourage your friends and family to continue supporting our bid and hopefully we will have the full £5000 to spend.

School uniform

Can I politely remind and encourage parents that we prefer for pupils to wear our school uniform whenever possible. This would consist of blue jumper, white polo shirt, black or grey trousers, skirt or shorts and black shoes. We have recently seen a rise in a range of different coloured shoes and branded trainers, which can lead to peer pressure on other pupils and families.

Uniform is available from School, Club Sport, Constructiv Clothing and through the second hand uniform shop run by the Friends of the School.

We appreciate your support and understanding in this matter.

Parent support and visits

There have recently been a range of events and activities where parents have been invited to visit school. Every Friday, every classroom is open for you to visit and have a look at the work that has been done during the week. The aim is that parents have a clearer picture of what is being done in school and gives you the chance to speak to the teachers on a more regular basis.

We have also invited parents to join us on World Book day and St. David's day and to share in our Eucharist service in Church.

Class 2 parents were also invited to a ball to celebrate the topic that the class were doing.

Thank you to those of you who have already been to some of these events, I know that the children love welcoming you as parents into their classrooms.

Many thanks for your continued support,
Mr. Phillips
